8 February 1952

NEMORANDUM FOR THE RECORD

SUBJECT: Meeting with State Department representatives to Fiscuse Information Only cables

- 1. Participants in the meeting, held on 1 February, were Morers. Melvin Manfull and Jeffrey Kitchen of Policy Reports Staff, Depart ent ... State; and Mesers. of O/CI.
 - 2. The O/CI representatives presented the following points:
 - a. Placing of an Information Caly restriction on almost all telegrams on certain important subjects (e.g. the Iranian problem. seriously hampers O/CI in its current istelligence reporting;
 - b. O/CI is directly responsible for keeping the DCE and the President fully informed on current intelligence;
 - c. O/CI is experienced in protection of sources and operations and is not interested in reporting State Department policy or operations;
 - d. therefore O/CI would like to make greater use of Infor sation Only cables in its reporting activity.
 - 3. The State Department position was set forth as follows:
 - a. The Department of State is responsible for reporting to the President on the conduct of United States foreign relations;
 - b. Policy Report: Staff must judge the proper time for presenting reports on specific problems;
 - c. therefore Policy Seports Staff must continue to control the use of each Information Only telegram.
- 4. It was egreed that O/CI should continue to request clearence for use of individual Information Only telegrams in the Current Intelligence Bulletin; O/CI is invited to make as many such requests as it wisher. Policy Reports Staff will also undertake to check for elegrance lists or Information Only telegrams desired for use in the furrent Intelligence haview.
 - 5. Mr. Manfull expressed a desire to visit O/CI in the near fe bure.
